

Carrano Glam – Services Page Content

Professional on-location makeup services for weddings, special events, photoshoots, and unforgettable moments. Every makeup application is customized to enhance your natural beauty while matching your personal style, event, and vision.

Bridal Trial

A bridal trial is a personalized makeup preview before your wedding day. During the trial, we'll work together to create the perfect bridal look that matches your style, dress, wedding theme, and comfort level. This gives you a chance to see your full makeup look ahead of time, make any adjustments, and feel confident and stress-free on your wedding day.

Makeup Trials for Special Events

A makeup trial for special events is a chance to test and perfect your look before the big day. Whether you're attending a prom, photoshoot, gala, birthday party, or any special occasion, we'll create a makeup style that fits your outfit, personality, and event atmosphere so you feel confident and camera-ready.
